HYPERTONIA WORLD ENTERPRISES

Velkommen til HyperTonia's nye postordrekatalog,som bl.a. vil gjøre en høyst tiltrengt innsats for å holde den norske KASSETT-kulturen i live. Jeg har overtatt deler av restlageret etter nedlagte KZ-selskaper som Consum,NeroNastri og Sang,og har distribusjonsavtaler med de fremdeles (mer eller mindre) oppegående SHiT,Yecch,Requiem,Piivv og Knall!. Et stort antall titler er dermed gjort tilgjengelige fra et og samme sted,og til rimelige priser. Håper du finner noe av interesse, og glem nå ikke å vise katalogen til alle venner og kjente!

And to our fast-expanding crowd of foreign customers : I hope you'll find some items of interest in this catalogue. Details on HOW TO ORDER are on the last page.

The HyperTonia tape label is looking for more bands/individuals to contribute to our forthcoming compilations (and for 'solo' releases as well).
TODAY : Send tapes & info to : J.R.BRUUN,HEIRYGGEN 2.N-8614 YTTEREN,NORWAY.
